We are now satisfactorily located in a

new office and having a new press

with a capacity of 1800 an hour and

an increased force of skilled work-

men, we are ready to do any work

that may come. If eight pages and 48

columns are not enough, we will add

more pages until there is room

enough for all. The subscription

rate of the Keweenaw will not be

increased. We now offer you the

largest and best semi-weekly paper

in Keweenaw for only \$2 a year, or

as an extra inducement to new sub-

scribers we will send the paper from

now until July 1, 1935, for \$2 in ad-

dition.

The only Democrat who appears to

have caught on this year is Gov.

their differences and they will live

state had a John Victory to look after

its Democratic interests, landslide

victories would be common in Kentucky.

Dr. Charles received 214 more votes

than he received in 1932, and

more than 60 votes than he received

in 1930. In other words the Rep-

ublican vote was reduced from

2,000 to 1,100. If this is the state of

the country and the Democratic

candidate as well as the Republican
